

Important Locker Update - November 2021

In our effort to enhance the security and safety in our building, we have conducted a full site security assesment with experts in the field.

Based on their recommendations, we will be re-registering **EVERY LOCKER IN THE BUILDING.**

Please fill out the form below along with the \$50 annual Locker Fee to re-register your locker and ensure that it does not get reassigned to someone else.

Lockers that are not claimed by December 3, 2021 will be opened, and their contents will be considered hefker.

Thank you for your cooperation!

This charge and payment will renew on January 1st of each year.
